My Lord

As Lord William tells me I did
not express my meaning properly,
I beg leave to assure you that
the very meaning & drift &
Intention of my Letter was, that
Lord William should be appointed
Himself to the Place of Vice
Admiral, & I wish this to be
fully explain'd to his Majesty,
& I hope your Lordship will express
to his Majesty that by so doing
he will confer a very Particular
& Personal Favour upon me,

I have the honour to be

my Lord

Your Lordships
most obedient
Humble Servant
