Admiral Keppel

Admiral Keppel has the honour to transmit to your Majesty  
Captain Berkeley's letter of 20<sup>th</sup> April from Plymouth giving an account of  
his having brought into Plymouth, the *Activaire* a French Ship, prize  
to the Queen.

It is pleasing to find by the Account Ld. Keppel has transmitted, that the *Activaire* is safely arrived, the French but seldom come on flutes Capital Ships, I suppose therefore she will not be fit for all Services, but may prove an useful addition to the Home Fleet.
