15 past 1. P.M.

Mr. Townshend humbly presumes
in transmitting to your Majesty the inclo-
sed Dispatches, which are all that he has
received from General Elliot, to submit
to your Majesty whether it might not
be proper, that the rest of your Ministers
should see them as early as your Ma-

justly compare them, for the purpose of
selecting such Parks as may be proper
to be published in the Gazette of this
Month.
