

Ld. Shelburne

July 10 1782

4849

Sir

Sir George Yonge desires me to lay
him at your Majesty's Feet, and to say
that he feels so much apprehension
about accepting an Office of so much
business, as not to be overcome by
any thing but his Devotion to your

Majesty.

I believe it will be necessary
for Lord Stople to attend Your Ma-
jesty before Your Majesty's Departure,
with the Resignation of Lord Durr-
common and Mr. Townsend, that
Mr. Aubrey and Mr. Pratt may have
the honour to kiss Your Majesty's
hand at the Levee - It will be

necessary that Lord John Cavendish
should attend at the same time
on the same account if your Ma-
jesty does not disapprove it.

I will at the same time lay
before your Majesty the List of
those who are to be his honours.

I have the Honour to be
with the highest Respect
