

H. K. to John Robinson

Aug. 7 1782

4911

L910

Mr. Robinson is desired to send the enclosed to Lord North, & cannot at the same time avoid expressing my Approbation of his having undertaken to furnish Lord Shelburne an accurate State of the House of Commons and the Conventions of each individual Paper as can be ascertained. This will be very material to counteract the Activity of Mr. Fox, who every honest Man and those the least interested in the Support of this Constitution must wish to the utmost to keep out of Power
