My Dearest Father

I cannot do any longer writing
to thank you for your very kind
present, which is very beautiful.

Indeed it is the handsomest
Dog of its kind I ever saw.

It is most valuable to me,
not only as coming from
you but as I have just lost
my dear favorite Lewis.

That I may always merit
your unbounded kindnesses
is the hope of

My dear Father

your very affte

& Dutiful Child
