My Dearest Papa

I had waited till to night expecting  
the papers from Dr. Wott, but  
as he has not sent them I  
write to acquaint you of it as  
I feel very uneasy about them  
but I trust to your own  
management & the kindness you  
you shewed me yesterday.

I was very sorry to hear you  
had so bad a cold but I hope it  
is nothing of any moment.

Believe me Dearest Papa  
your most Obedient  
& Affct. Child. C. le
