Mr Robinson has the Honour to transmit to Your Majesty the inclosed which he has just received from Wirksworth near Mallock. Mr Robinson presumes to take the same Channel to send it, through which he had the Honour to receive Your Majesty's Commands, thinking it may be the proper One, and he hopes that he shall not have erred. Mr Robinson has sent the Cover it came under to him, as the Wax of the Seals adheres, lest in taking off the One, he should injure the Seal of the other.
