Lord Chancellor to HRH

49423

The Lord Chancellor, observing his humble Duty to His Royal Highness The Prince of Wales, acknowledges the Receipt of His Royal Highness's Note, with which he has been honoured this Evening.

The Lord Chancellor sent a Copy of his Majesty's Paper by a Messenger to The Earl of Arundel, & he presumes that the Messenger may be expected in Town to morrow Morning. The Chancellor will not fail to inform his Majesty, after the Council to morrow, of the Reason, which has induced His Royal Highness to delay the Answer to his Majesty's Paper.
