

M^r. Secretary Townshend
Whitehall Aug. 24th 1782.

Whitehall
August the 24th
1782

Mr Townshend humbly presents to
transmit to your Majesty the In-
structions to the Governour of Nova
Scotia as settled in the Committee
of your Majesty's Privy Council
today. The reason for troubling your
Majesty

Her Majesty with them for your signature
here now is, that Governor Parr is
under the necessity of leaving London
to embark for his Government imme-
diately.
