Sir /

Sensible of the honor I have received  
in being appointed by your Royal Highness,  
(on the recommendation of His Majesty,) Sub  
Governor to The Princess Charlotte, who I  
understand is about to occupy the House  
prepared for her by your Royal Highness;  
I cannot consistently with my own feeling  
presume to enter your Royal Highness's Family  
without receiving those commands which I shall  
feel it my duty to obey. — Not having had the  
honor of being presented to your Royal Highness

Since the gracious appointment I have received  
makes me feel very delicate on this subject.—

An unfortunate indisposition at the time that  
I first received notice of this flattering  
appointment, prevented my soliciting this honor  
at an earlier period, and I flatter myself that  
Your Royal Highness will be graciously pleased  
to signify your commands through Lady  
De Clifford.—

With submission I remain

Your Royal Highness's  
grateful & dutiful

Servant,

Alicia Campbell
