June 2<sup>d</sup> 1806 —

Sir —

With sentiments of gratitude,  
Duty, & respectful attachment, which  
it is impossible for me to express, I attempt  
to acknowledge the very gracious, and  
flattering letter I have had the honor  
of receiving from your Majesty. —

With confidence I can affirm  
that I have religiously studied to fulfil  
my duty towards the Princess Charlotte,  
& shall quit Her Royal Highness

1730

With very sincere regret, as so long an acquaintance cannot fail to have attached me most affectionately to her, & for the remainder of my life I shall feel the warmest interest in all that can affect Her Royal Highness. —

I have the honor to remain  
Sir, with the highest sense  
of gratitude  
Your Majesty's  
Dutiful & devoted  
Subject & Servant

Warwick House
