My Dearest Papa

The Bishop & Dr. Nott, wished to see <sup>all</sup> the  
Letters the father had written to me  
that he might clear himself, but  
before he takes them from me I send  
them to you. To you who have taken  
the whole under yourself & to you  
who as being not only my friend but  
Father. I was determined no one should  
have them but you?

Believe me ever

Dearest Papa

Your very affte.  
& Dutiful Child  
Charlotte
