I trust Your Royal Highness will  
forgive this intrusion on Your time, which I  
know is so precious, but last night I asked the  
Queen if Princess Charlotte was dine on Thursday  
at Kensington, her Majesty answered that she  
did not know, as she had received no direction  
from Your Royal Highness, may I therefore  
request to have Your commands about that,  
& also to mention, that on that one day in the  
Year, Princess Charlotte has always stayed
