

Mrs. Torrusehead

+ 5001

Whitehall

Monday 11 P.M.
14: Oct: 1782

Mr Torrusehead humbly presumes to
submit to your Majesty a letter it
would not be proper for him to take the
opinion of your Majesty's Confidential
Servants upon the Subject of the last Dis

patches from Paris. As several of the
Members of the Cabinet are at a distance
Mr Townsend ventures to propose Wednesday
as the earliest day upon which it
can easily be assembled.
