

A. M. to Ld. Shelburne

Nov. 3 1782

5040

Ld. Shelburne does not ^{clearly} ~~clearly~~ ^{admire} the style of Mr. Vaughan's letters more than I do; He seems to look alone to our placing implicit trust in the Americans, whilst Ld. Shelburne's ideas coincide with mine in thinking it safer to confide in France than in either Spain or America.
