Lady Berkeley expresses her object to be that  
the paper containing the Statement of  
the Prince's Evidence should have publicity  
given to it by H. R. H. So as to make  
it available to Her Ladyship Her Elder  
son & the family - by producing the  
Effect of Conviction of the truth of  
the Marriage, by the acknowledgment  
of Lord Berkeley Prætere Li Nota -

That if H. R. H. does not give it publicity  
Her Ladyship will as a matter of  
Duty to Herself & family be compelled  
to publish it either <sup>in the</sup> ~~in the~~ <sup>in the</sup> ~~in the~~  
to the H. of L. -

One Mode of Publication suggested  
by Her Ladyship for the P. is to have the  
Bill lay it on the table of the House  
of Lords - and to insert it in a Patent  
of Creation of her son as a Baron

Wm Adam. Memorandum

*[The main body of the page is a large, rectangular area of paper that has been folded into a grid of four quadrants. The paper is heavily creased and stained, particularly with a large, dark, irregular stain in the upper-left quadrant. Faint, illegible handwriting is visible in the lower-left quadrant, appearing to be a list or series of notes. The rest of the page is mostly blank, with some very light, ghostly impressions of text or markings.]*
