Draft to M<sup>r</sup>. J. Townshend

I should have thought Gen. Conway, M<sup>r</sup>. Pitt and M<sup>r</sup>. Vee?  
Townshend so material persons at the deliberation A. S. P. P.  
wishes to have held that I am certain if he knew they are  
not likely to be present at a meeting this evening, that he  
will wish to have it postponed till tomorrow; but if the  
business will not suffer that I do not delay, I authorize M<sup>r</sup>. Vee?  
Townshend's sending summonses for this evening
