Celle, Feb. 26. 1760

Sir

I am very thankfull for the share you are so good as to say you take in the fresh top that I have had: & for the obliging wishes you make, that my Children may prove a comfort to me. I hope they will: which makes me at present not take the liberty of recommending them to your Protection when they will want it. The assurance you give me of your Esteem makes me hope you will not refuse it them. I am with the greatest regard

Sir

Your most affectionate Aunt
Mary
