Sir

It is with great pleasure that I congratulate Your Majesty upon the Queens
happy delivery of a Prince nothing can give me so much satisfaction as what can
contribute to Your Majesty's. And indeed Sir You do me justice in being persuaded
of the Share I take in what ever regards Your Majesty or Your family. Indeed
Sir I am most sincerely attach'd to You; and shall ever be it remembering ever with
pleasure the Obligations I owe You: permit me Sir to take this occasion to mention
General Pitts advancement. Your having made him General makes me flatter my
self that You have forgiven me the liberty I took to recommend him. I acknowledge
it as a great favour & beg You Sir to accept my most humble Thanks for Your goodness.
The gracious assistance You give me Sir of continuing both to me & my sons Your
protection leaves me nothing to ask or wish nor can it ever make me be with more
attachment & respect than I ever shall be.

Sir
Your Majesty's

Nassau g. y. 29

most obedient humble servant
and Aunt.
