Portsmouth. Wednesday 14. 1748.

My Son George I wo'nt go to bed, without
telling Y^e that we are all here after a
Passage of 3. hours, we are well, and mightily
pleas'd with the Ships and the rest of
the curiosities. Both Y^e brothers are with us
vastly well, and good. My Compliments to Robert
and the rest. God bless Y^e all.

Frederick P.
