

Duke of Gloucester to H.M.

[undated]

54291

Leicester House  
Monday

Sir,

I have received your Majesty's commands, and shall be sure to obey them. My Brother came to town last night, and proposes calling at the Queen's house. We have <sup>had</sup> no conversation of any kind together since his arrival, nor do I believe he has as yet seen my Sister.

Sir I am Your most Obedient  
Brother, and Subject

William.
