Sir,

I have received your commands about Mr. Bell.
St. Legier's Exchange into the first Regiment of Guards,
as far as I am concerned, I shall be very happy
Obliging You; I have writte to Mr. General Hyde,
and flatter myself it will succeed; the very kind
thun You give to your recommendation, is very
gracious indeed. I hope I need not say how happy
I shall ever be to obey your commands on every subject,
and hope you will believe me

Sir, your very Affectionate Uncle,
