

H. M. to Ld. Hertford

730

Queen's House Jan 7th 1768
5^o p^m 9. P. H.

Lord Hertford's Attention in expressing his thankfulness
at the Appointment of Lady Hertford to the Vacancy
in the Queen's Bed Chamber is duly remarked by
me, & I am pleas'd whenever any thing agreeable
to him is feasible, as his Attachment to my Person
has been uninterrupted; the unfashionable
propriety of Lady Hertford's conduct makes
Her very fit for Her Employment.
