Clifelen 5. a cloce.

Dr Dr Lee, I enclose to Y^r this Packett,
 sent to me by ^{Mr} Gordon, I ~~read~~ ^{read} Y^r Letter,
 but not ^{Mr} Sutherlands, which without being
 Seal'd was sent to me; You'll be so good to
 return it me, that I may send it to that ^{Mr},
 and to make the proper Memorandums out of
 it for next Winter. Oswald is chosen for the
 County he push'd for, against Pelhams will, may
 be we may have a Chance for him now, what
 do Y^r think of an Offer made by Y^r means
 through Gordon to him of a ^{Co} of the Gⁿ
 Cloth, provided he'd be thoroughly with us.
 tell me Y^r Opinion of it, which Y^r senar
 has the greatest Weight with me, I think he is
 worth having. Good bye, take care of Y^r health,

and depend in all times on the friendships,
of,
Frederick I.
