x Peace of Aix-la-Chapelle

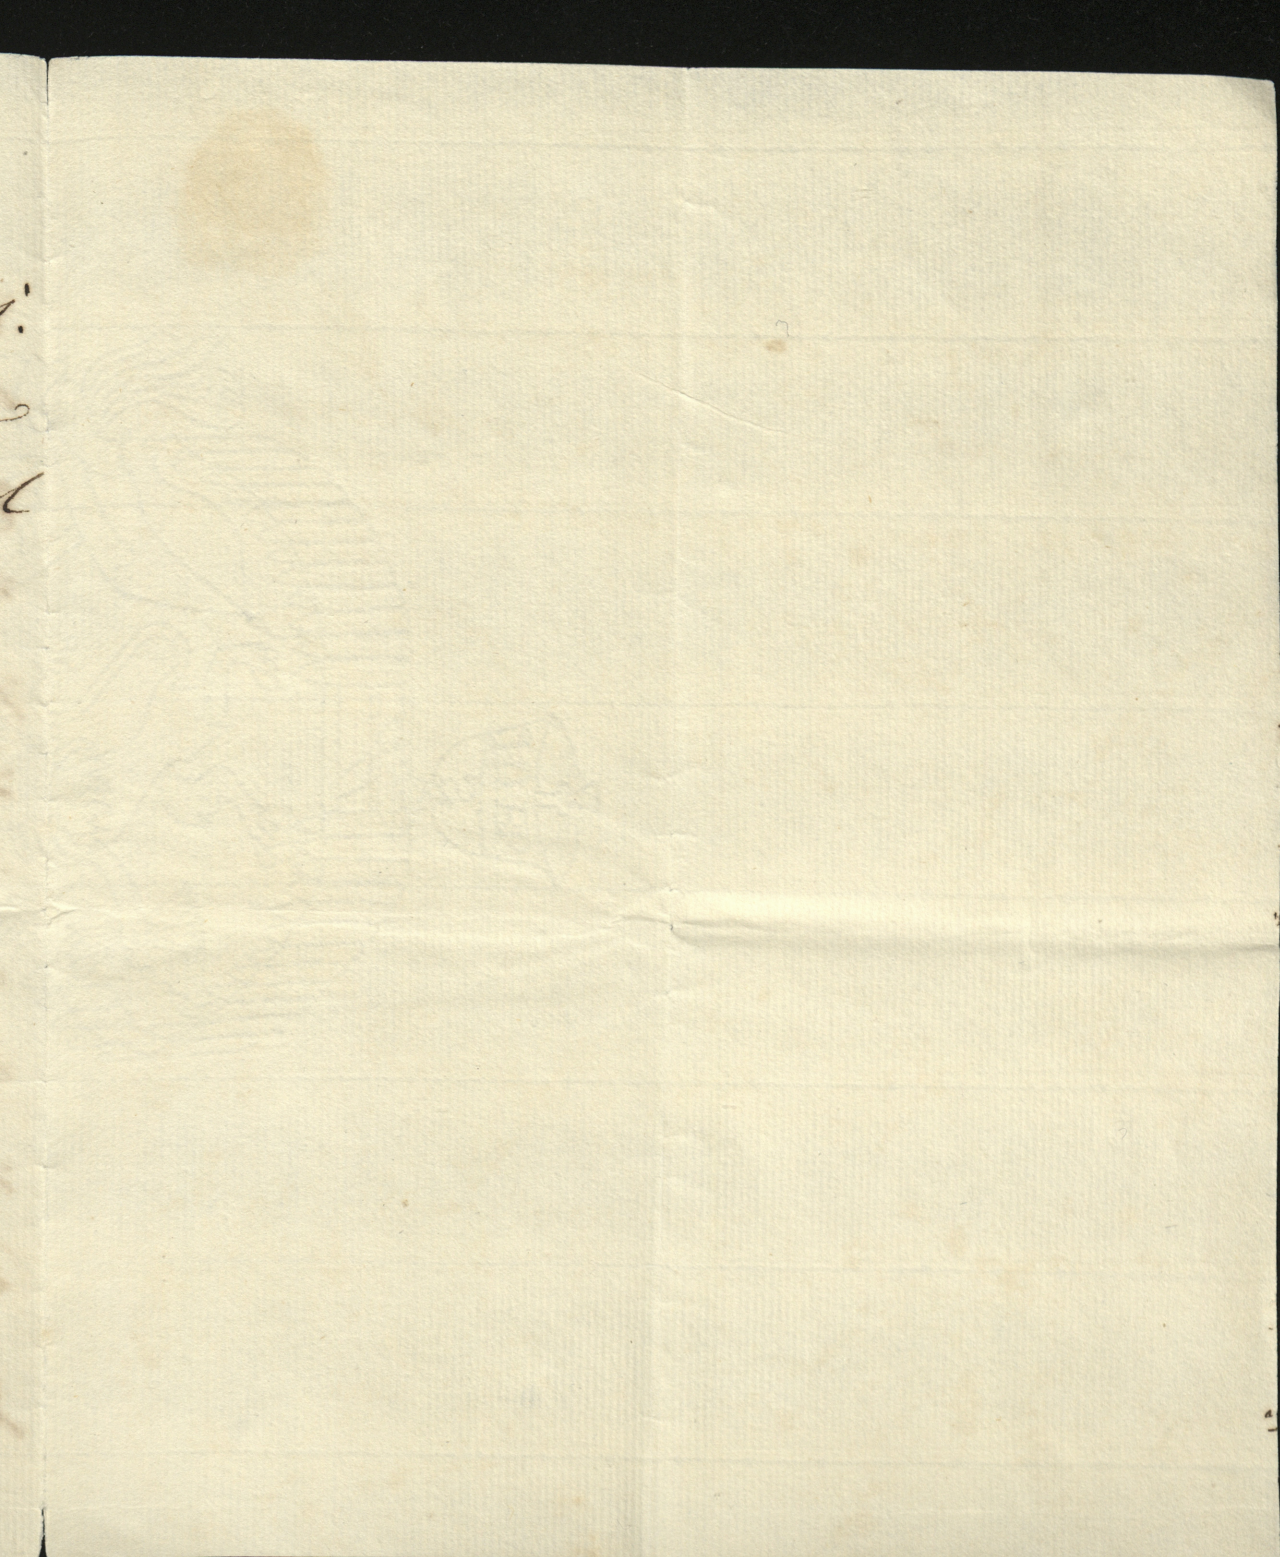

concluded Oct. 18 1748

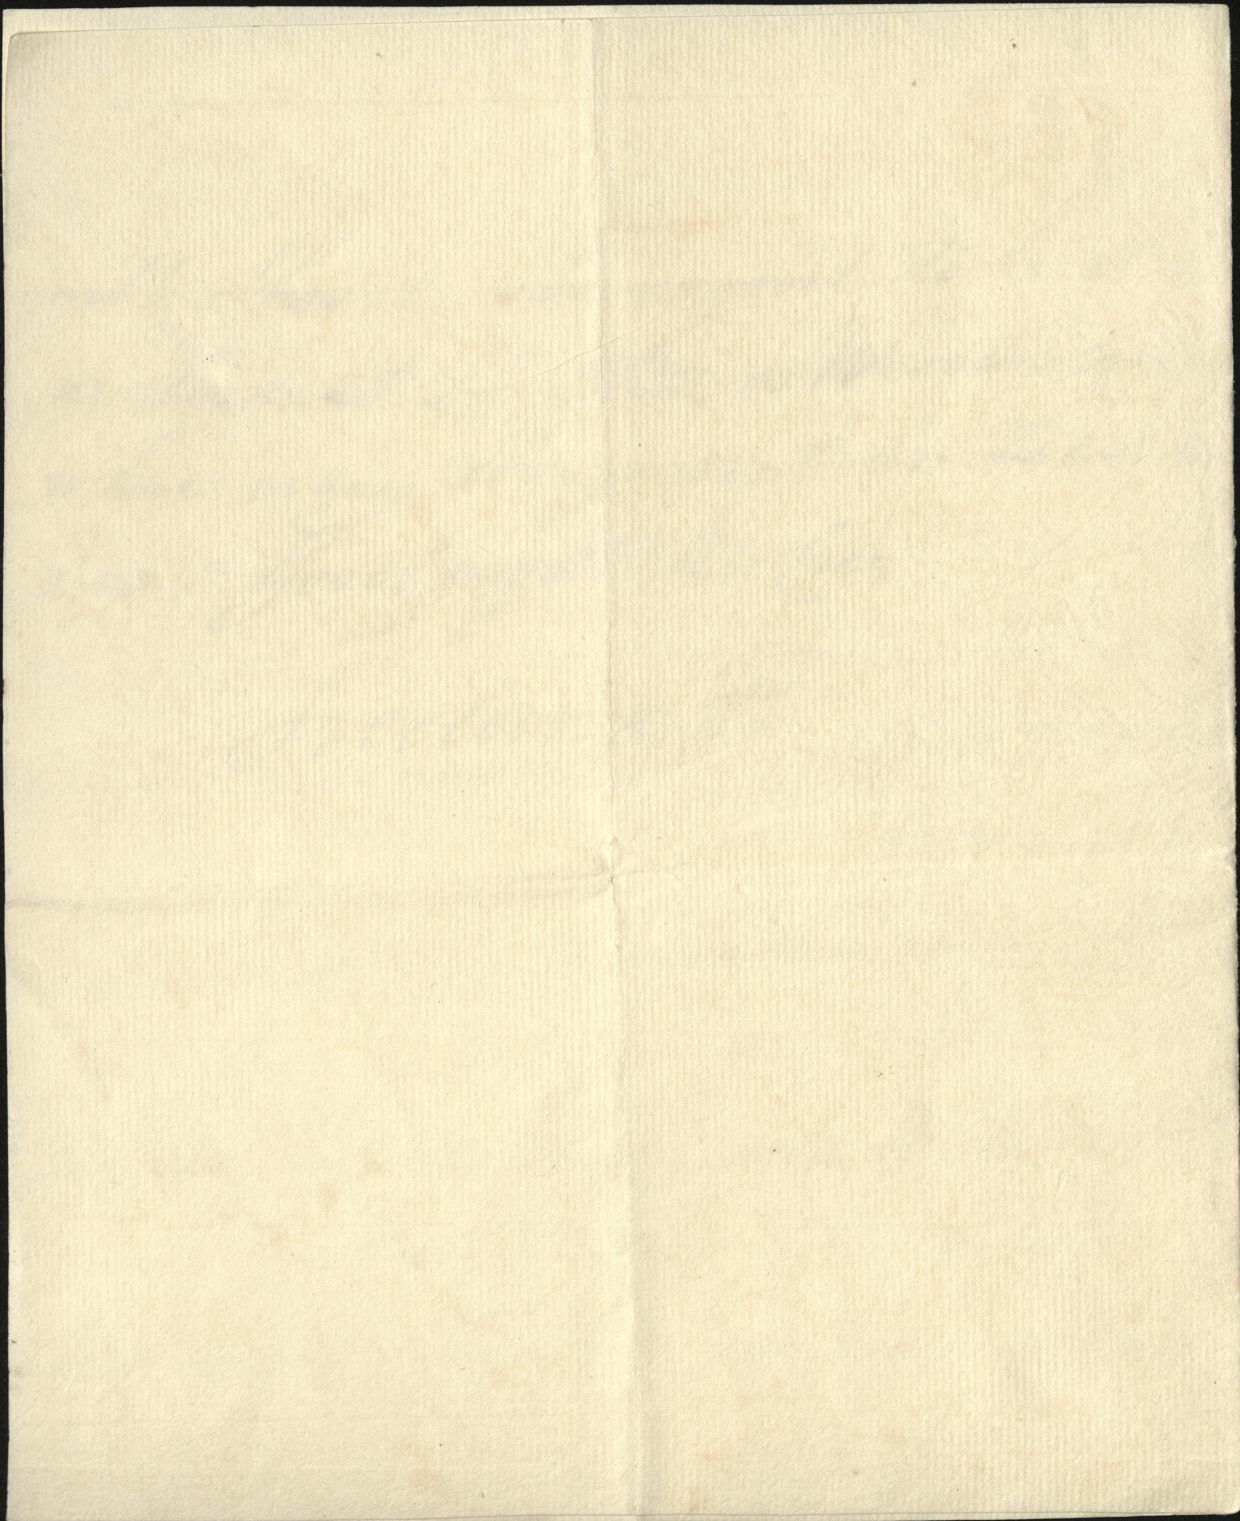

Dr Lee, the Preliminaries^x are sign'd,
and the Suspension of Arms is agreed,
if Y^r read the rest of it properly, You'll see
in what it consists, except that the Re-
publick of Genoa seizes Finale, and that
Don Philipp gets to Parma and Plaisance
the Mirandole. All the rest is the
same; and we might have had the
same Peace, even a better one this time
12. Months, and have sav'd 11. Millions.
These are the Facts, what the Conse-

where many things must be talk'd
