For Commons July 18th 1791

I was prevented acknowledging the Honour
of your Letter last Tuesday by Business which
detained me too late for the Post. Her Royal Highness
and the young Princess are as well as possible,
she will not yet see any of her Men servants, but
as soon as I have the Honour to be admitted
into her Presence I will not fail to obey your
Commands.

The Lords of the Admiralty will ^{in pursuance of the order of war} ~~take on board the~~
bring home the Statute for the Princess, I must beg
you will send me a particular account of their
Number, to whom application for their must be
made & where and when they will be ready to
be embarked that I may leave Directions with the
Secretary of the Admiralty
