May 14th 1768. 10 o'clock P.M.

After a great deal of private negotiation to day, not worth troubling your Majesty with now, I am informed that the Seamen are come to their senses; they have order'd papers to be stuck up about White-Chapel & Wapping to acquaint their brother sailors that they are satisfied & ready to return to their business, & to advise them to do the same; I could not delay one moment giving your Majesty this agreeable account.
