Sir

I have the honour to send Your Majesty Lord Botetourts additional Instructions for Your Majesty to sign. I was obliged, at Cabinet yesterday to consent to some verbal alterations from the Draught laid before your Majesty, and approved by Lord Chancellor and the Duke of Grafton, in order to please General Conway and Lord Shelburne; they are not of any consequence, & therefore I hope Your Majesty will not disapprove of what I have done. I have the Honour to be with the most devoted Respect
