Aug. 23 1768

804

Lord Hertford has paid in haste to  
 obedience to the King's commands  
 & been received by the King of  
 Denmark his (Danish Majesty  
 express the highest sense of his  
 Majesty's goodness & attention and  
 has desired him with his Majesty's  
 best acknowledgements to inform  
 the King that he finds himself  
 at present much recovered.  
 Since he looks better, the  
 King of Denmark has taken  
 something to day by the Physicians  
 direction but proposes to take  
 the air tomorrow; the York journey  
 seems to be quite laid aside by  
 the present indisposition.
