

Between Aug, 12, when Lord Townshend was appointed
Lord Lieut, & the date in 1768 when Lord F. Campbell,
Lord Shelburne Chief Secretary, was appointed - Lord Clerk

Lord Shelburne presumes to acquaint your
Majesty, that he did not send the Irish
messenger this morning, upon a sug-
gestion of Lord Frederick's Campbell,
that the Mail of this day might bring
something new - The Mail is since
come in, but has brought no Letters
for the Office, nor do Lord Frederick

Campbell's Letters bring any thing
new or particular, except that most
people were gone or going out of
Town, and that it would be difficult
to find more Members than are
necessary to make a House till after
the Receipt.

Lord Shelburne humbly submits for
