1832

The image shows the front cover of an antique book. The cover is decorated with a marbled paper pattern consisting of irregular, rounded shapes in various shades of brown and tan, set against a dark blue background. The pattern resembles stone or biological cells. A small, rectangular, off-white paper label is pasted onto the cover, centered horizontally and slightly above the vertical center. The label contains text in a serif font, identifying the book's manufacturer and binder.

JOHN SMITH,
Account-Book Manufacturer
& BOOK-BINDER,
TO HIS MAJESTY'S
STATIONARY OFFICE,
49, Long Acre.

Bread served to His Majesty's Household in the Month of November

1835 by J. Cornford

Handwritten ledger table with columns for dates (1-16, 17-31), various categories of bread and provisions, and columns for quantities and prices. The table includes entries such as 'Coffee Room Quarten Loaves', 'Muffins', 'Bakers Table Quarten Loaves', 'Dressers', 'Housemaids', 'Servants Hall', etc., with numerical values for each day. Summary rows are provided at the bottom of the table.
