This image shows a blank page from an antique ledger or account book. The page is cream-colored and features a decorative gold-tooled border on the left side. The main body of the page is ruled with a table structure. A vertical line on the left side of the page, within the table's border, creates a narrow column. The rest of the page is divided into two main sections by a vertical line: a wide central column and a narrow column on the right. The central column is further ruled with horizontal lines, creating a grid for entries. The right-hand page of the book is partially visible, showing some handwritten text in cursive script.
