My Dearest Mary,

Your kind letters are always a ^{great} comfort to me
and it has been very satisfactory to me to learn from that which I
received this morning that dear Amelia has not been affected by the
damp & foggy weather as I feared she would be. I am well aware
that it would not be advisable for her to venture out while it persists,
but whenever the weather does admit of her taking an airing, I shall
be very anxious to hear that the Prince of Wales's carriage is
really so easy as comparatively to lessen my apprehensions of the ^{fatigue}
of the journey. — I am very glad to hear that Lady Anne is
better & I sincerely hope that she may soon be entirely re-established.
I have felt cordially for poor Sir Anny under this additional
cause of uneasiness, after the severe blow so lately experienced.

Believe me &c.

Signed
George A.
