

Nov^r the 3rd -

My dear Mother I was had a very
 unpleasant night with much
 pain in her side but Dr Phe
 sends her much as usual
 to day she appears quite
 well to do very heavy the Dr
 thinks proper therefore is
 getting up to set off by 12 o'clock
 The Lord I never appear as
 as I hope in God we shall
 be supported I am desired
 to wish you a happy
 my own anxiety will allow
 me to hope at present
 My love is rather of a very
 heavy letter to day

As Penelope is ill I have
intended to take upon myself
to desire Brankie to go with
us as we can not be at the same
without some assistance
Dolly is kind enough to go
all the way with us &
William will go as far as
Lynton to see us with us
& then set off for London
