My dear Papa
I write to say we are
arrived at 4 o'clock considering
all things I really think
I may say it has not gone
off worse than I suspected
my uncle as our usual
horse has been ever
since we have been at
Weymouth only from
going to the sea of course
not here found I
stopped my steer as
the (it was not as
easy as was hoped
it would be - but I hope
that he will come back

A letter to Susan —
I enclose my own name and
Guelph & Duffell
