six o'clock —

My dear Mr. Paine

I arrived at this place about  
a quarter of an hour ago & I am  
thankful to say this day's journey  
has gone off full as well as  
yesterday, certainly not more  
though much fatigued  
& a great deal of pain at times  
& I am sorry to find I have  
all things considered I think  
she has got on much better  
than I expected —

Gratefully  
Yours
