

Nov. 1807

7 mid. Nov. 1809

My dear Brother
 I have been
 much yesterday
 & the last part of
 the day came in
 & out of her room
 & I am beginning to
 cry I do not think
 it possible to
 be made as I
 expected —
 I have seen
 the Colonel
 and have pushed
 the few of my papers
 & that number of

her
 sufferings & ill
 health were
 was in consequence
 of that she called
 the pain in the
 side was
 inflammation in
 the muscles
 Pulmonar was
 the I find than
 the Perry and
 before dinner she called in
 the Dr. thought she at once
 that she was

Pulmonar was
 Perry, but when
 I returned to
 dinner after
 dinner they
 came to her
 again when
 Pulmonar called
 her of the land
 very objection
 to have somebody
 she called in
 she at once
 opened her

she needed it
Therefore these
gentlemen
are to see the
king after
consulting to say
where it will
be received
again I told
the King that
myself should
immediately
send to Canada
& the King
should see

To your Honour
the Council have
very much
to be desired — and
therefore I am
to recommend the
king before he
write them. For
that she writes
for J^r J^r J^r
as being persons
of less complaint
and is desired
a very tolerable
small things

considered that
 no great return expected as the
 of some kind situation that
 might be made he can not
 have been usual but up his
 desire —
 You may suppose similar but had
 I suppose more than
 answers they have sleep —
 Yesterday I shall
 write again
 by to someone
 perhaps
 with Mary

The heavy is in
 affected as the
 situation that
 he can not
 but up his
 desire at all
 similar but had
 more than
 have sleep —

Princess Mary
to
The Prince of
Wales
