My dear Papa

I can not express how happy I was when I awoke this Morning to receive your kind Letter & the beautiful Present. you were so good to send me, I ~~can~~ not say half enough how very much I am oblig'd to you, & how much I value both.

Amelia was so delighted to hear there was something for her, that she came upon my Bed to receive it, & means to

was it to day.

I have had a good deal of
Pain in my Arm this Morning, the
Pain is now less, but I suffer a good
deal of uneasiness from the part which
is swelled up to my Shoulder.

I beg my Duty to Mamma
& pray tell her I should have written
to her to day if your Letter had not
arrived, but will have that happiness
to morrow.

I beg my Love to my Sisters
