

Princess Mary

April 10 & 11. 1840

(142)

Tuesday Night
11 o'clock

My dear Papa

I am most thankful to be able to say dear Amelia is much relieved by the Medicines & Dr Pope appears satisfied thro' enquiring with the Pulse - I hope to have the satisfaction of hearing your stomach is better & that you got no cold you may owe to some thro' damp clay - No words can say how anxious we are to receive good accounts from you & think we can never need in any situation in life your affls & Dutiful

Mary

Wednesday Morning

8 o'clock

Amelia has had four hours sleep two of which was very quiet comfortable sleep -
