My dear Brother  
 I have just received  
 the enclosed letter which I beg  
 you to read & if you have not  
 time to give me an  
 answer yourself do have the  
 kindness to order one of your  
 Gentlemen or somebody  
 to give me a line as soon  
 as you can for the subject  
 the Queen has been so kind  
 as to offer to make Col  
 Webster go to Monmouth  
Clermont & Paris see  
recommenders Montmoulin

Hm

de sa part - but a word from  
 you would have much more  
 effect & therefore I send this  
 by the post that you  
 may either seek to know  
 or send him a message  
 to try of him to take  
Montmorency with him  
to Paris - Montmorency has  
 sent a letter to day which  
 informs her that he  
 is going in less than 10  
 days - therefore if you  
 are so kind as to manage  
 that he should take her  
 she must be informed  
 of it as soon as possible
