Dec. 3 [1812]

My dear Mr. Bostwick As the Queen has not
 shown Sophia her answer to your
 letter & she is very anxious to see it
 in consequence of her being out here
 through the August that which you
 wrote & with which Sophia is quite
unacquainted, would you not have sent
 a copy of it & without doubt to bring
 it home on Saturday & I will take
 care to read it as soon as I can -
 It is impossible otherwise that Sophia
 can understand ~~any~~ any letter
 to you -
 Yours truly
 M. B. P.
