Dec. 7 [1812]

My dear Brother
 Nothing has passed a very
 quiet composed day to day but rather
 rather more than yesterday
 We have gone on tolerably to day
 The snow still appears to my
 great disadvantage & where we
 can with the snow cuts at us very
 deep, but we do all we can
 not to hinder it - I hope of your
 success's pursuit. Your enemy
 in the course of this week you
 will accept her offer & send
 her her way to some
 considerable
 Dec^r the 7th

Yours
 M. J.
