Dec. 17 [1812]

My dear Mr. Borthwick It is quite impossible
 to say how deeply we are all
 impressed with all your kindness
 upon all that has passed this
 last fortnight & how grateful
 we feel at having made all
 peace upon Mr. Grant's being
 left, ~~but~~ since the conversation
 you had with the Queen
 Sunday afternoon & since all
 has been good & harmonious —
 I was delighted with the dinner
 & party at Carlton House last
 night & the Queen equally so
 I hope you are not fatigued
 with the evening's business
 your legs at the evening
 we found the King very

gent my composed & all agree
be true & send a kind
day - God bless you
Yours

M. J.
