My dearest Brother

In words can express the joy
 your letter has caused & the
 all gratitude for your sending
 in sending me the letter
 is immediately - the Duke's letter
 is dated the 30 of April
 which is to announce the
 Prince's death and as
 the divorce had last been
 signed it seems a
 mourning at St. Dunstons &
 therefore the I suppose
 has caused all this
 trouble - We are delighted
 at the thoughts of every
 you to remain & go
 every the 10th -
 P. S. - I have had a note

from Charlotte in answer
to the letter of yesterday
saying her efforts
at all events on her
side as to the hospital
ground

Princess Mary
to
The Prince Regent
