Thursday Evening

My dear Brother

You have commended
me to say that if you are
well enough to be at the
ottage to say to your
sister how much you are
amused she will make
a point of descending on the
spot - otherwise she says
to decline going, she
had no intention of going

to the boys today as she
was a good deal fatigued
after them on Sunday
but as soon as you let
her know you are at
the cottage she will fly
to you - Gully

Mummy

I have not up to the cottage
to let them know that
she I will not go to the
-not they need not you
