My dear Brother
 I have had
 the slip in the night
 but is good & composed to
 day - My love is better -
 The same Doctor has
 taken this evening
 of my mind and will
 to heart & has
 asked it will be
 the thing but believe
 on no all - Don't take
 any notice of it without
 she knows the sign
 to you - but she

from the character is
 so well known in this
 country that it may
 cause your reputation
 defection which I do
 not like you at this
moment & be a bad
 example for Charlotta
 & should the Prophets
 ever come to England
 again & find the Prophets
 slaves will never
 it may blame the all
 under great defection
 the I do not want to see

Sep. 18 [1814]

me to say all this
and she ventured
told me she would
not go and of her way
to talk to you and
the subject as she felt
sure she would not
be able to keep her
secret — but I would
do her the justice to
say she talked at
me in trusting you
secret with me
and she was very
secret of them and
was — but I think
it best if you should

know some one put in
at length otherwise I suppose
you & perhaps it would
be better for you to
avoid the subject
altogether unless you
see how things ~~are~~
the chance of any
step and just a
subject which is ~~to~~
give the free to ~~present~~
for help you for
