Dear Mother  
18

My dearest Brother

I am happy to say  
 we find Charlotte quite well  
 that happy state of health  
 the Bishop of Salisbury  
 describes in the letter I  
 sent you some time ago  
 and she was delighted  
 to see the L & C and to send  
 out of her way to assure  
 she & she had been  
 made but to believe you  
 she is looking well & in  
 my good comfortable spirits  
 Myself was seized a terrible  
 day - she & her have  
 concluded to be a little  
 more comfortable than they
