My dear Mr. B. & Mrs. B.

Nothing has been
heard of the ship - Philip has
been in fear of a steamer for
some days & I have
also not heard since he
as when he left us last
week - There has been some
intention of a steamer in the
lock, but she is in the possession
of the day - Charlotte has been
at Windsor again the day
by way of a lounge (P. B. B.)
she looked ill & out of spirits
but I don't see her since
therefore I leave nothing
more to add - Yours &c. &c. &c.
