July the 20

My dear Mr. Burtin

I thought the Queen
 has had a good night and
 her return of peace & the
 Bomb's great yet her strength
 has not improved since
 the day before yesterday
 and I'd ~~think~~ say I
 would not expect it to
 return so easily at her
 time of life, but can be
 as well as I can feel ~~the~~
 her & ~~the~~ ~~the~~

As soon as returned — reply
is written letter to lady &
the King perfectly good
